Happy Birthday, Betty!

In January, Betty White turns 100 and we're celebrating! Come to Marion Carnegie Library to celebrate an icon and look back at the longest-running career in television. From **2 pm to 4 pm on Saturday, January 15**, join us for a party!

There will be selfies with Betty (upload your pics to Facebook or Instagram and use **#MarionCarnegieLibrary** so we can see them!), Betty's favorite snacks and games, and lots of reminiscing over Betty's most iconic roles.

Also, from January 10th through January 15th, we will be collecting pet supplies to donate to local animal rescues in Betty's honor.

We'll see you at the library!

Welcome Cekaia to the MCL Team!

For years, Cekaia Miller has been a Marion Carnegie Library patron, and she recently joined our great staff as a Library Assistant. We're so happy to have her aboard!

Cekaia is from Marion and has lived here all of her life. Her favorite author is Rick Riordan, and she enjoys spending time with her pets.

You can find Cekaia keeping the Marion Carnegie Library shelves stocked and organized.

PROJECT NEXT GENERATION SPOTLIGHT

PNG is doing big things! In January, kids age 10 - 18 should take advantage of our PNG Saturday Sessions (January 8, 15, 22, and 29 at 1 pm and 3 pm), where we'll learn about aeronautics and flight. We'll use things like paper airplanes, flight simulators, drones, and more!

Mandee Villa, one of our PNG Mentors, will lead 2 events in January. In one, kids can design and build a roller coaster. In the other, students will design and customize their own tea towel using Cricut vinyl and our heat press!

And, of course, we'll have Open Lab hours Monday - Thursday from 4 pm to 8 pm, where kids can use any of the PNG equipment that they want. Come join us!
