## Library Tech at Your Fingertips: Computers, Printing, and More!

MCL is, of course, home to an incredible collection of books, DVDs, video games, and other media. But are you looking for easy access to essential tech services? MCL offers a range of public computer, printing, copying, and faxing services that make it simple to get tasks done efficiently and conveniently.

MCL's public computers recently underwent a facelift! Patrons with a library card can use their card number and PIN to log in, while those without a card can request a guest pass by presenting a photo ID. Whether you need to browse the internet, work on a document, or access email, the library's computers are equipped for everyday tasks. Full details and restrictions are available at [marioncarnegielibrary.org/public-computers](http://marioncarnegielibrary.org/public-computers).

Library staff are also available to assist with basic questions regarding software, although they are not able to provide specialized advice, such as legal or medical guidance.

Need to print out a document or make a quick copy? The library's printing and copying services are both affordable and easy to use. Prices are reasonable, making it a convenient spot for students, job seekers, or anyone needing to get a hard copy in hand. The library also offers faxing services—so you can send those important documents without any hassle.

Stop by MCL today to take full advantage of services that can make your day just a little easier. Whether you need to get some work done, print out important documents, or send a fax, the library has you covered!

## PNG at MCL Spotlight

PNG at MCL Season 5 programming is off to a great start!

Everyone aged 10 - 18 is invited to the PNG at MCL Open Technology Lab Hours each Monday through Thursday from 4 pm to 7 pm to work on projects and explore technology like 3D printing, photography, video production, and much more.

PNG at MCL Saturday Sessions focus on specific STEAM concepts and careers each Saturday at 1 pm. In November, Saturday Sessions will focus on software and discuss topics like AI, coding, and building custom computers!

## Friends of Marion Carnegie Library

The Friends of the Marion Carnegie Library is a non-profit organization that helps support library projects and programs through fundraising efforts.

In November, the Friends present a Book Sale on Friday, November 1, and Saturday, November 2. Members of the Friends get access to a special presale on the evening of Thursday, October 31 with exclusive access to the sale before the general public.

For information about the Friends, including details about how you, your family, or your organization can join, visit [marioncarnegielibrary.org/friends](http://marioncarnegielibrary.org/friends) today. Being a Friend is an inexpensive way to give back to your community!
